#PITBOSSMASTERCLASS

There's nothing more satisfying than a good BBQ right? So imagine learning all the secrets of the Authentic American BBQ with that Kiwi twist that only Miss Moonshines can offer.

Many beers will be drunk,
much meat eaten &
many laughs had.

The background of the image is a kitchen with a black and white checkered wall. In the foreground, there is a large metal container, possibly a smoker or a grill, with a bright fire burning inside. The fire is yellow and orange, and it is contained within a dark metal frame. The overall atmosphere is warm and industrial.
